WHAT ABOUT THE \$\$?

Teachers in an assignment during the school year will be eligible for personal pro-d funds.

Each October, \$125 goes to your personal PD account (based on your contract time period), and can be drawn on for expenses for PD activities. This amount accumulates over years and can be used for workshops & travel, training resources, book, tuition and even I.T. devices for your pro-d.

OUT OF PD FUNDS?

The Professional Learning Supplemental “please” (PLS) Fund can provide up to \$100 to cover expenses for teachers in an assignment, when your personal fund is drained.

Find the application form on the website.
